## Experiences

### Frontend Developer Intern

*Baoiam Innovations* | June 2024 – August 2024

- I worked as a Frontend Intern at Baoiam Innovations for two months.
- Developed and maintained a responsive website for a beauty and cosmetics brand using React.js and Tailwind CSS

## Projects

- Worked as a Frontend Intern and collaborated in making a fully responsive Beauty and Cosmetics website
- A startup idea in SIH, plastic segregation – I worked with my team to create a responsive website with AI/ML and IoT implementations.
- Employee Management System (in C Language) project based on the practical application of programming concepts.
